

11th annual Dii Desert Energy Leadership Summit

Save the Date | 11 November 2021 | By Invitation Only

Physical Location: W Dubai - The Palm hotel, West Crescent Palm - Jumeirah - Dubai

The meeting will be 'hybrid', as it will physically take place in the W Dubai Palm hotel for those who can join us personally; other participants may join the meeting virtually.

The decade of the acceleration of the energy transition in MENA

AGENDA Day 2 (Day 1 reserved for Dii Partners)

11th November 2021

11th Dii Desert Energy Leadership Summit

08:30-09:00	Welcome Networking Coffee & Breakfast
09:00-09:15	Welcome Address: From Desertec 1.0 to Desertec 3.0: what has changed over the past decade? The region is now ready to become a regional and global Powerhouse for green electrons and molecules.
	Speaker: Paul van Son, President, Dii Desert Energy
09:15-10:30	Invited Keynote Addresses: the Energy Transition in the Regional and International Context
	Impulse presentation and moderator: Frank Wouters, Chair, Advisory Board, Dii Desert Energy and MENA Hydrogen Alliance (confirmed)
	Speakers: Paddy Padmanathan, President and CEO, ACWA Power (confirmed)

	<p>Mohamed Jameel Al Ramahi, Chief Executive Officer, Masdar (invited) Senior Representative, State Grid Corporation of China (SGCC/CEPRI) (invited) Ahmed Ali Al-Ebrahim, Chief Executive Officer, GCC Interconnection Authority (confirmed) Senior Representative/board level, thyssenkrupp (invited) Jamila Matar, Director Energy, League of Arab States (invited) Chaher Boulakhras, CEO, Sonelgaz (confirmed) Katherina Reiche, Chairperson, German Hydrogen Council (confirmed) Bertrand Piccard, Founder, Solar Impulse Foundation (invited) Francesco La Camera, Director General, IRENA (invited) Frans Timmermans, Executive Vice President and Head of Green Deal, EU Commission (invited) <i>*Pre-recorded messages are possible</i></p>
10:30-11:00	Networking Break
11:00-12:00	<p>Opening and Keynote Panel: Status of the Energy Transition in MENA</p> <p>Outlook, challenges and perspectives from ministers and heads of governmental organizations from UAE, Oman, Morocco, Egypt, Jordan and Saudi Arabia</p> <p>Impulse presentation and moderator: Cornelius Matthes, CEO, Dii Desert Energy Dr. Mohamed Shaker El-Markabi, Minister of Electricity and Renewable Energy, Egypt (invited) H.E. Hala Zawati, Minister of Energy and Mineral Resources, Jordan (invited) Mr. Aziz RABBAH, Minister of Energy, Mines and Sustainable Development, Morocco (invited) Mr. Mustapha Bakkoury, President, Masen, Morocco (invited) Dr. Salim Al Huthaili, CEO - Alternative Energy, OQ, Oman (invited)</p>
12:00-13:00	<p>Panel discussion: Update about concrete projects and initiatives on green electrons and green molecules</p> <p>This session showcases lighthouse projects and regional initiatives along the emission-free energy value chain covering e.g. Oman, Egypt, UAE, Saudi Arabia alongside some international success stories such as Australia.</p> <p>Speakers: Herbert Jost, General Manager Green Hydrogen, DEME Group (confirmed) Dimitar Enchev, Co-founder & Director, CWP Global (invited) Senior Representative, AMEA Power (invited)</p>
13:00-14:00	Networking Lunch
14:00-14:30	<p>Special Spotlight: NEOM's New Hub for Clean Energy Generation, Innovation and Research</p> <p>Speaker: Peter Terium, Managing Director of Energy, Water and Food, NEOM (confirmed)</p>

14:30-15:30	<p>The Right Ingredients for the Energy Transition: Different perspectives from investors, utilities and EPCs</p> <ul style="list-style-type: none"> • We achieved 1 cent solar but there are significant challenges ahead. What is the impact of the recent rise in raw material prices, logistics costs and potential rise in costs for debt for both solar and wind projects? • Are NOCs and oil majors ready for the energy transition? • Emission and green energy trade certificates/swap deals <p>Speakers: Amit Jain, Global CEO, Sterling Wilson Solar (invited) Joaquín Rodríguez Jadrque, Director Business Development, Fistera Energy SL/BLACKSTONE Group (invited)</p>
15:30-16:00	Networking Break
16:00-17:30	Interactives Roundtables
	<ol style="list-style-type: none"> 1. New requirements for financing and structures for green molecules 2. Energy efficiency (ESCO) and demand side management 3. Energy storage solutions for emission-free energy systems 4. The convergence between electricity and gas markets 5. Water and Energy Nexus 6. R&D, innovation and education 7. Smart cities & mobility
17:30-18:00	<p>Capacity Building, Local Content and Green Job Creation</p> <ul style="list-style-type: none"> • What is the job creation potential across different parts of the renewable energy value chain? • How to enhance capacity building programs to prepare the qualified work force across the emission-free energy value chain? • What are the current initiatives to engage in research & development partnership?
18:00-18:05	<p>Closing Remarks Paul van Son, President and Cornelius Matthes, Chief Executive, Dii Desert Energy</p>
18:05-21:00	Networking Reception followed by VIP Dinner at 'LAWN' Restaurant

Site visit on 12th November (invited):

- Solar Innovation Center at Mohammed Bin Rashid Al Maktoum Solar Park Solar Park + first green hydrogen project in MENA

Confirmed Speakers:

**In alphabetical order*

1. Paddy Padmanathan, President and CEO, ACWA Power (confirmed)
2. Paul van Son, President, Dii Desert Energy
3. Cornelius Matthes, CEO, Dii Desert Energy
4. Frank Wouters, Chair, Advisory Board of Dii Desert Energy and MENA Hydrogen Alliance
5. Ahmed Ali Al-Ebrahim, Chief Executive Officer, GCC Interconnection Authority (confirmed)
6. Herbert Jost, General Manager Green Hydrogen, DEME Group
7. Katherina Reiche, Chairperson, German Hydrogen Council
8. Peter Terium, Managing Director of Energy, Water and Food, NEOM
9. Chaher Boulakhras, CEO, Sonelgaz
10. Ad van Wijk, Member of Dii Desert Energy’s Advisory Board, Professor Future Energy Systems, TU Delft
